

July 2018

Dear Valued Member:

As President & CEO of Suffolk Federal Credit Union, I would like to formally introduce myself and welcome you to the Suffolk Federal family. As of July 1, 2018, Long Island Community Federal Credit Union (LICFCU) officially merged with Suffolk Federal.

At Suffolk Federal, we are excited and honored to serve you and your family's financial needs. We are proud to provide you with the same personalized level of member service you've always had, but with the added benefits of Suffolk Federal's broad array of products and services. Suffolk Federal is safe, secure and ready to work for you.

You will be receiving important FAQs and updates in the next few months that will explain in greater detail the changes in your current products as well as new product offerings. It will also provide you important dates on when we will be converting LICFCU and Suffolk Federal's core-processing systems. We will continue to keep you informed as we move forward in this process.

We invite you to learn more about Suffolk Federal by visiting www.suffolkfcu.org. On behalf of all of the team here at Suffolk Federal, I look forward to the opportunity to serve you.

Sincerely,

A handwritten signature in black ink that reads "Ralph D. Spencer, Jr." in a cursive script.
